Incidentally, Peter, I'm also sharing the contact info for our 5 PM Eastern Media Call on Gold King Mine. I'm sure Jacqueline has already received the updates, but please share with her if she hasn't.

Thanks, R.

Hey Peter,

Sure thing, let me see what I can do. We have lots of people still out in Colorado right now, so it may be early next week before we see what's feasible. Would it be OK to touch base then?

Thanks, R.

Hi Robert,

Peter Zampa here from Gray DC – I was hoping to set up an interview for this story sometime early next week. We really want to focus on the repercussions of spillage in waterways and how the EPA is held accountable.

Please let me know if I can speak with you or someone soon!

Thanks,

Peter
